Cost Benefits

- 60% less cost than a traditional employee.
- Zero in-house and overhead costs that you need to worry about.
- Cost-effective custom packages to fit your specific business needs.
- Timely project updates and strategy engagement sessions to stay on task.

Reliable

"Talent is my business, and Claudine has plenty of it! It's hard to find a reliable & versatile assistant with attention to detail. Claudine hasn't let me down once yet. And I don't see that changing. I wouldn't hesitate to recommend her - in fact, I have."

Jeff Hyman, CEO
StrongSuit, LLC

Proactive

"Claudine has been great to work with. She is proactive and has great communication and organizational skills. I'm sure we will work with her again in the future".

DeAnn O'Donovan, CEO
Arbor Street

Unmatched

"Virtual Ingenuity has increased our ability to get more done week-to-week, month-to-month, and quarter-to-quarter than would be possible with our team alone. We have greatly benefited from this service and believe our clients experience a personal touch that is unmatched".

Kayla L. Briggs, Executive Administrator
ATC Healthcare Services of North
Central Alabama

Impressive

"It's a pleasure working with Claudine Land. She is attentive and personable. She helps to instill confidence as she helps me to clarify my goals. I am also impressed with her ability to help me organize my life and my thoughts. I look forward to continuing to work with her to help my visions come to life".

Antonia Williams,
Doctor of Obstetrics

Facilitative

"Claudine has done a wonderful job helping us organize our projects. She facilitates client communication between our team and clients resulting in projects staying on track. She knows how to integrate herself into a team and has increased our productivity substantially. We are pleased and enthusiastically recommend her".

Rick Singleton, Owner
Plexamedia
